

IBM-Nalaiyathiran Project

IBM Cognos analytics

The screenshot shows the IBM My IBM dashboard. At the top, there's a navigation bar with the IBM logo and links for My IBM, Profile, and Billing. The main content area is titled "Products" and features a "Trials" section. A trial offer for "IBM Cognos Analytics on Cloud - Trial" is displayed, indicating it is active and expires on Dec 5, 2022. There are "Launch" and "Manage" buttons for the trial. To the right, a large card encourages users to let IBM provide technology and business solutions, with a "View catalog" button. A footer contains links for Contact IBM, Privacy, Terms of use, Accessibility, and Cookie Preferences, along with a language selector set to "United States - English".

The screenshot shows the IBM Cognos Analytics with Watson interface. The top navigation bar includes a search bar and a user profile icon. The main content area has a welcome message: "Hello. Welcome to Cognos Analytics with Watson." Below this, there's a prompt to get started by watching an introduction video or taking a product tour, with corresponding "Watch video" and "Take a product tour" buttons. A large, colorful 3D graphic of interconnected cubes is on the right. Below the welcome message, there's a "Quick launch" section with four cards: "Upload data" (upload or drag and drop spreadsheets, csv files, and other data sources), "Prepare data" (use data modules to clean and connect data from multiple resources), "Exploration" (quickly find unbiased answers by identifying trends in your data with data exploration), and "Present data" (create sophisticated, multi-page, multi-query dashboards, reports, or stories). At the bottom, there's a "Get started" tab and a "Recent" section titled "Get up and running in IBM Cognos Analytics".
